

PROFESSIONAL CURRICULUM VITAE
DR MASSIMILIANO VARRIALE

A) Qualifications:

- Degree in Medicine and Surgery from the University of Rome 'La Sapienza' cum Laudem on 12 November 1991;
- Diploma of Specialisation in General Surgery N.O. III[^] School of Specialisation in General Surgery at the Institute of III[^] Surgical Clinic of the Policlinico Umberto I University of Rome " La Sapienza " cum Laudem on 19 October 1998 pursuant to DLgs 257/1991,DLgs 368/1999,duration 5 years;
- Master Level I in Colon Proctology at the Special School A.C.O.I. Hospital Ascalesi ASL NA 1 Naples, Director: Prof. Gennaro Rispoli, Academic Year 2004-2005;
- Inter-University Diploma - D.I.U.- in Surgery Colorectal at the University Hospital Complex of Rouen - France Faculty of Medicine and Surgery of the University of Rouen - France Director: Prof. Francis Michot academic year 2006-2007 with monthly modules focused on the development of knowledge of minimally invasive surgical techniques for neoplastic, inflammatory and functional diseases of the colon-rectum, multidisciplinary and organisational management of specialised groups in appropriate clinical and organisational decisions on colon-rectum pathologies;
- Diploma in Advanced Laparoscopic Surgery at the National Reference School S.I.C. Academic Year 2008-2009 at Polo Ospedaliero Monaldi - Naples, Director: Prof. Francesco Corcione, Course Chairman: Prof. Enrico De Antoni, aimed at the correct knowledge of advanced minimally invasive surgical technologies and methodologies and the proper management of resources;
- Executive Master's Degree in Management of Healthcare Enterprises, academic year 2016-2017 at L.U.I.S.S. University, Rome with discussion of the thesis entitled:" PDTA for the treatment of Colon-Rectum " on 28 September 2017;diseases
- Diploma: Da Vinci System Training for a Da Vinci Console Surgeon at R.A.I.N. Robotic Academy Intuitive Napoli, Naples 26 October 2018;
- Diploma in Clinical Hypnosis and Hypnotic Communication with a thesis entitled: "Hypnosis in Proctology" at the Italian Centre for Clinical and Experimental Hypnosis C.I.I.C.S. Istituto Franco GRANONE, Turin; 27 November 2022, aa 2021-22;
- Diploma Master's Degree Robotics Surgery 2nd Level in General Surgery at UNINA Federico II, Naples: Prof. Marco Milone aa. Academic year 2023-24 with discussion of the thesis " Bottom Up with approach suprapubic for Robotic Dx ".Hemicolectomy

B) Professional Habilitation:

- Professional qualification at the University of Rome 'La Sapienza' Faculty of Medicine and Surgery in November 1991.

C) Registration with the Order of Surgeons:

- Registered in the Professional Register of Surgeons of the Province of Rome on 30 March 1992 with order number 43828;
- Registered in the MEBEKO Medical Profession Register of the Swiss Confederation under GLN number 7601007988327 as of September 2020

D) Foreign Languages (Table 1D):

- Medical Complement Officer in the Medical Corps of the Italian Army, prior 110th C. So so Allievi Ufficiali di Complemento Corpo Sanitario Esercito Italiano May-August 1992, at 235° BTG " Piceno " Ascoli Piceno from August 1992 to August 1993 with the rank of Sub Lieutenant Medical Officer, where he was in charge of infirmary management, military corps health through outpatient medical examinations, canteen and salernary hygiene service, troop vaccination calendar and medical assistance in shooting exercises and nursing staff management, with fixed-term contract and leave with the rank of Lieutenant Medical Officer;
- Voluntary service from December 1998 to May 1999 at the U.O.C. General and Emergency Surgery of the Policlinico Casilino, Sandro Pertini Integrated Complex Hospital - Policlinico Casilino ASL RMB, Rome;
- Aggregate 1st Level Medical Director, with fixed-term contract full private by Private Administration from June 1999 to January 2001, at U.O.C. General and Emergency Surgery of Policlinico Casilino, Integrated Complex Sandro Pertini Hospital - Policlinico Casilino ASL RMB, Rome;
- Medical Executive with contract full-time, indefinite , starting on 13 February 2001, at ASL RMB Discipline of General Surgery, following Public Competition - 1st Classified - Resolution ASL RMB No. 92 of 31 January 2001, then relocated to service at U.O.C. of General and Emergency Surgery at Policlinico Casilino, Integrated Complex Sandro Pertini Hospital - Policlinico Casilino ASL RMB, Rome;
- Transfer, by means of Company Command ASL RMB Resolution no. 1072 of 21 July 2003 Professional assignment IP3, at U.O.C. General and Emergency Surgery II, Sandro Pertini Hospital ASL RMB;
- Activity in extramoenia at the Private Institute not affiliated Clinica Ars Medica, via Cesare Ferrero di Cambiano 29, 00100 Rome from 2012 to the present day performing outpatient proctology and pelvic floor with more than 300 ultrasound procedures endoanal 3D rotating probe 360°, videoproctoscopies and performing surgery as the first operator ,in 1180 operations for neoplastic pathology inflammatory, functional and benign diseases of the anus rectum colon and pelvic floor in elective and emergency with transanal, laparoscopic and robotic minimally invasive methods, of the prosthetic abdominal wall with minimally invasive techniques in elective and emergency, of the open and laparoscopic biliary tract and liver in elective and emergency.

F) Foreign or national study or vocational training periods:

- Training stage in Open Colo-Rectal and Laparoscopic Surgery in March-April 1997 at the C.H.U. in Rennes (France), Division of Oncological and Digestive Surgery and Transplantation of High National Importance (Director: Prof. B. Launois, Head of the Division of Minimally Invasive Surgery: Prof. A. Trebuchet);
- 12th Theoretical-Practical Course on Mucohemorrhoidectomy sec. Longo at C.T.O. Hospital, U.O.C. General and Emergency Surgery Director: Dr M. Lombardi 14 May 2002;
- Theoretical and Practical Training Course in Colo-Rectal Surgery:" Surgical Training In Obstructive Defecation Syndrome, S.T.A.R.R. Technique" Hospital Saint Elisabeth Vienna-Austria, Director: Prof. Antonio Longo 09-11 June 2003;
- Theoretical-Practical Training Course in Colo-Rectal Surgery: " Hands on Workshop for mucoprolassectomy ", Technological Laboratory European Surgical Institute in Hamburg - Germany, Director: Prof. Antonio Longo, June 2004;
- Training stage in February 2005 at C.H.U. Bordeaux Division of Digestive Surgery (Director: Prof E. Roullier) with special emphasis on the positioning of artificial sphincters (ABS type of AMS) for perineal colostomies post amputation abdominal perineal according to Miles for cancer of the low rectum and for severe anal incontinence;
- VI Theoretical and Practical Course of Endoanal and Endorectal Ultrasound at Ca' Foncello Hospital - Treviso U.O.C. General Surgery U.O.S.D. Colonproctology Director: Dr. A. Santoro, Treviso 09-11 March 2005;
- Theoretical Practical Training Course in Colo-Rectal Surgery:" Surgical Training In Obstructive Defecation Syndrome, S.T.A.R.R. - Longo Technique" Hospital Saint Elisabeth Vienna-Austria, Director: Prof. Antonio Longo 10-12 April 2006;
- Theoretical-Practical Training Course in Colo-Rectal Surgery: " Hands on Workshop for Contour Transtar for S.T.A.R.R. Procedure", Technological Laboratory European Surgical Institute in Hamburg - Germany, Director: Prof. Antonio Longo, 09-10 May 2006;
- Training stage at C.H.U. Rouen- France, Division of Digestive Surgery Director: Prof. F. Michot, with special focus on open and laparoscopic colorectal oncological surgery and open and laparoscopic benign functional pelvic floor surgery and rehabilitation by means of Sacral Neuro Modulation 05 October - 04 November 2006;
- Training stage in 2006 at C.H.U. Marseille (France) Division of Digestive Surgery (Director: Prof. B. Sastre) with special emphasis on laparoscopic surgery of the colon-rectum;
- Theoretical Practical Training Course: "Hands on Workshop for colorectal surgical laparoscopic" at the Technology Laboratory European Surgical Institute in Hamburg - Germany, Director: Prof. C. Huscher , June 2007;
- From 01 May 2009 to 31 May 2009, period of secondment for the purposes of Art. 20 CCNL Integrativo/2004 Area Dirigenza Medica e Veterinaria and subsequent amendments and additions, to carry out theoretical and practical in-depth studies in minimally invasive colorectal surgery at the Institute of Robotic Surgery and Video Surgery of the Institut Mutualiste MontSouris in Paris - France Director: Prof. Brice Gayet Company Resolution no. 379 of 02 April 2009;
- Training Internship October 2018 and March 2019 in Robotic Surgery at Humanitas San Pio X, UOC General Surgery Director: Prof. Jacques Megevand, Via F.Nava 31, 20159 Milan.

G) Areas of Professional Autonomy:

- ASL RMB Company Resolution no. 1350 of 13 November 2008 Professional appointment IP3 entitled "Surgery Colo-Rectal and Pelvic Floor " Sandro Pertini Hospital ASL RMB Rome from 01/12/2008 to 30/11/2011;
- ASL RMB Company Resolution no. 76 of 18 January 2012 renewal of the IP3 Professional Appointment in "Surgery Colo-Rectal and Pelvic Floor - Sandro Pertini Hospital" from 01-12-2011 to 30-11-2014;
- ASL RMB Company Resolution No. 1091 of 07 December 2012 Appointment as Pelvic Floor Diagnostic Therapeutic Pathway Coordinator, Multidisciplinary Diagnostic Therapeutic Iter for the treatment of Pelvic Floor Pathologies at Sandro Pertini ASL RMB Hospital - Rome;
- To have received in 2014, for the U.O.C. of General and Emergency Surgery I at the Sandro Pertini Hospital in Rome ASL RMB, the appointment of Reference Surgeon Level III for Colon Rectum Cancer Screening for the 1st District of the ASL RMB, page 2 of the protocol highlighted in yellow, from the U.O.C. Screening Programmes and Prevention, Director: Dr. Marialuisa Mangia;
- ASL RMB Company Resolution no. 121 of 29 January 2015 renewal of the IP3 Professional Appointment in "Surgery Colo-Rectal and Pelvic Floor - Sandro Pertini Hospital" from 01-12-2014 to 30-11-2017, then extended by Resolution no. 5/CS of 07 January 2016 for a further 60 days by ASL RM2;
- From 2018 to date IP3 appointment in "Proctological and Floor Surgery Pelvic " at Sandro Pertini ASL Hospital RM2.

H) Qualitative and Quantitative Typology of Performances (Table 1-2H):

- Proctology outpatient activities at the Sandro Pertini ASL RM2 Hospital - formerly RMB - for the U.O.C. of General and Emergency Surgery, with certification by the S.I.U.C.P. of the Quality Certificate of Unit Colon Proctology in 2006, carrying out initial proctological examinations and subsequent examinations, rectoscopies, anoscopies, biopsies, dressings and checkpost-operative : in particular, from 2012 to date, have been carried out 5,927 outpatient services as specified above;
- Centre Highly Specialised Proctology for at the Ars Medica Clinic-Rome Treatment Centre, performing first proctological and pelvic floor examinations, follow-up examinations, high-resolution videoproctoscopy, operative anoscopy, biopsies, dressings and post-operative check-ups: more than 5,000 outpatient services have been performed from 2012 to date;
- Highly Specialised Proctology Centre at the GVC-Roma Group, performing initial proctological and pelvic floor examinations, follow-up examinations, high-resolution videoproctoscopy, operative anoscopy, biopsies, dressings and post-operative check-ups: in particular, from 2022 to date, have been performed 246 outpatient services as specified above;
- From January 2007 to March 2025, at the **U.O.C. of General and Emergency Surgery at Sandro Pertini ASL RM2 Hospital - FORMER RMB -** , from January 2012 to July 2024 at the **Private Nursing Home with no special agreement with the Ars Medica Clinic Rome** in in on an extramoenia basis, in full compliance with the protocols of the scientific societies to which they belong, and at the **GVC Private Group Rome** a total of **2,553** operations of small, medium and large surgery as First Operator for malignant, benign functional and inflammatory pathologies, in election and in urgency of high and medium complexity with open, minimally invasive laparoscopic and robotic Da Vinci techniques, in particular for colo-

rectal surgery, wall defects, digestive surgical pathology, on the basis of reproducible qualitative-quantitative operating case histories, as shown in **Table 1H** below:

Table 1H

| | <i>Paz/period</i> | <i>Urgencie</i> | <i>Small Surgery</i> | <i>Media surgery</i> | <i>Great Surgery</i> |
|------------------|-------------------|---|----------------------|----------------------|----------------------|
| <i>2007-2017</i> | <i>1.361</i> | | <i>653</i> | <i>566</i> | <i>142</i> |
| <i>2018-2020</i> | <i>549</i> | <i>49</i> | <i>354</i> | <i>139</i> | <i>56</i> |

I) Scientific Societies:

- Registration with the Association of Italian Hospital Surgeons - A.C.O.I. - since 2001;
- Registration with the Italian Society of Colon Proctology - S.I.U.C.P- since 2007;
- S.I.U.C.P. coordinator for the Lazio region from 2007 to 2012.

H) Managerial Training Diplomas:

- Theoretical Practical Managerial Training for Hospital Doctors Course "From Strategy to Budget" at the Educational Service Ethicon (J&J), Pratica di Mare - Rome 21 - 24 May 2002;
- Executive Master's Degree in Management of Healthcare Enterprises, academic year 2016-2017 at L.U.I.S. University. of Rome with discussion of the Thesis entitled: " PDTA for the treatment of diseases of the Colon Rectum" on 28 September 2017 with the objective of learning the development of managerial skills in Health Companies and Hospitals, integrating systems, tools and management methodologies with particular regard to organisational design and mechanisms of coordination and integration between organisational units, human resource management and integration processes organisationalbetween different functions and roles, administrative and accounting management in particular for the budget and containment of health expenditure, application of information technology, knowledge on the regulations of accountability, transparency, privacy and processing of personal data.

I) Teaching Activities (total: 65 hours):

- **Assignment Teaching** subject: "Surgical Anatomy and Operative Technique" at the 3rd year of the School of Specialisation in General Surgery III[^], Institute of Clinical Surgery III, Policlinico Umberto I[^], Faculty of Medicine and Surgery University of Rome "La Sapienza" Director: Prof. E. De Antoni as a free contract lecturer academic year 2008-2009, for a total of **10 hours**;
- **Assignment Teaching** subject: "Clinical Pathology and Surgical Therapy of Peripheral Arteriopathies" at the 3rd year of the School of Specialisation in Vascular Surgery I[^], Institute of Clinical Surgery III, Policlinico Umberto I[^], Faculty of Medicine, University of Rome "La Sapienza" Director: Prof. E. De Antoni as a free contract lecturer academic year 2008-2009, for a total of **10 hours**;
- Permanent A.C.O.I. Special School in **Lecturer** ColonProctology, Director: Prof. Gennaro Rispoli, from 2017 to date for a total of **23 hours**;
- **2nd Level University Master's Degree Course** in: "*Psychology of Chronic Conditions*" with Module: Empathic Surgery in Chronicity. Free University Unicusano - Rome, Faculty of Psychology academic years 2022/23 - 2023/24 - 2024/25, for a total of **18 hours for a value of 24 CFU**;

- **Coordinator** of the Course in Proctology and Pelvic Floor Surgery by communication of the A.C.O.I. Board of Directors on 07/08/2024 ACOI Special School in ColonProctology and Pelvic Floor Surgery;
- **Lecturer 2nd Level University Master's Degree** in: "*Psycho-Oncology*" with Module: New perspectives in the treatment of Colorectal Cancer: advanced surgery, robotic surgery and Artificial Intelligence. Free University Unicusano - Rome, Faculty of Psychology Academic Year 2025-26 for a total of **4 hours** and a value of 4 CFU.

L) Scientific work (Total Impact Index=7 as per Google Scholar):

M) Organisation of courses, conferences, seminars:

- **Course Director:** "The Obstructed Defecation Syndrome: New Horizons" at Sandro Pertini ASL RMB Hospital - Rome, Chairman: Prof. E. Sbaffi on 26 February 2004;
- **Director of the Congress:** 'New Frontiers in ColonProctology' at the Sandro Pertini ASL RMB Hospital - Rome, Chairman: Prof. E. Sbaffi on 15-16 March 2005;
- **Course Director Lecturerand:** "I.Rob in urological and colo-rectal robotic surgery" Rome 15 June 2019 CME training event n° 262852.

N) Speaker, Moderator, Lecturer at the following courses, conferences, congresses:

- Certificate of Participation as Speaker: "**Perianal : how to optimise local sepsis and treat fistulas?**" **Crohn's**M.Varriale XLIII ACOI National Congress Rimini June 2025;
- Certificate of Participation as **Lecturer** A.C.O.I. School of Advanced Specialisation in Coloproctology 1st Module aa 2025, Rome 3-5-12 February 2025;
- Certificate of Participation as Speaker:" **Biomedical Engineering: Robotic and Regenerative in the treatment of B.I.D.**". Surgery M.Varriale 2nd National Congress S.I.R.G. A.P.E.S.A Rome 20 May 2024;
- Certificate of Participation as Speaker: "**Techniques and Technologies in the Treatment Anal Fistulas**" M.Varriale XLII ACOI National Congress, Naples May 2024;
- Certificate of Participation as **Lecturer** A.C.O.I. School of Advanced Specialisation in Coloproctology 1st Module aa 2024 Rome 15 March 2024,;
- Certificate of Attendance as **Speaker:** " THD Anolift in Surgery Non-Excisionalof High Grade Haemorrhoidal Disease." Campania Regional ACOI 26 October 2023;
- Certificate of Attendance as **Speaker:** "Regenerative Surgery in the treatment of Complex Perianal Fistulae and Vaginal Rectum in MICI: personal experience". M. Varriale 1st National Congress Italian Society of Gastro Rheumatology Rome 6-7 October 2023;
- Certificate of Attendance as **Speaker:** "Regenerative Surgery in the Treatment of Perianal MICI Disease" M.Varriale XLI Congresso Nazionale ACOI Rome September 2023;
- Certificate of Participation as **Lecturer** School of Advanced Specialisation in Coloproctology 1st Module aa 23, ;Naples September 2023
- Certificate of Participation as **Speaker Lecture:** "THD Anolift, ce que cette nouvelle technique peut nous apporter.". M. Varriale, Congres de la Nationale Nationale Société Francaise de ColoProctologie, Paris 19 November 2022;
- Certificate of Participation 17th Scientific Conference of European Society of ColoProctology Dublin, Ireland 21-23 September 2022;

- Certificate of Participation as **Speaker** "Transanal Haemorrhoidal Dearterialization THD end Anolift. New Frontier for the Treatment of Haemorrhoidal Disease." M. Varriale, National Congress A.C.O.I. Riva del Garda October 2022;
- Certificate of Attendance as **Speaker**: "Syndrome Anterior Rectal Resection : inevitable or improvable?" M. Varriale, National Congress A.C.O.I. Riva del Garda October 2022;
- Certificate of Participation as **Lecturer** School of Advanced Specialisation in Coloproctology 1st Module aa 2022-23, ;Naples 5 September 2022
- Certificate of Participation as **Speaker** " Mininvasiveness In Proctology: News Anal Fistulas" M. Varriale, Acoi National Congress, Milan 16 October 2021;
- Certificate of Attendance XXXIV World Congress of Digestive System Surgery, Director: Prof. Giorgio Palazzini Rome 19-20 November 2020;
- Certificate of Participation as **Expert Panelist** XXVI Congress Digestive Surgery, Director: Dr Marcello Gasparrini, Rome 15 June 2020;
- Certificate of attendance as **Speaker** on the topic: " Colon Rectum Cancer " Corporate Training Course Kick Off Colon Rectum Cancer in ASL RM2Treatment , Rome 12 December 2019;
- Certificate of attendance as **Speaker** at the 2nd Level University Master's Degree Course in Colon Proctology at Policlinico Umberto I[^], Department of Surgical Sciences, University of Rome " La Sapienza " Faculty of Medicine and Surgery Rome 19 June 2019;
- Certificate of participation as **Speaker** on the topic: " treatment Surgical of perianal fistulas with F.I.L.A.C. technique " at 38th National Congress A.C.O.I., Matera 11-12 June 2019;
- Certificate of attendance as **Tutor** for the A.C.O.I. school Colonproctology on the theme: " Le Suture Intestinali Difficili " at 38th National Congress A.C.O.I., Matera 11-12 June 2019;
- Certificate of attendance as **Moderator** " i.Rob Corso di Chirurgia Urologica e Coloretale " Rome 15 June 2019;
- Certificate of attendance as **Tutor** for the A.C.O.I. school Colonproctology on the theme: " Le Suture Intestinali Difficili " at 38th National Congress A.C.O.I., Matera 11-12 June 2019;
- Certificate of attendance as **Discussant** on the topic: " Surgery MICI "Rome 30 March 2019;
- Certificate of participation as **Moderator** at Management of Chronic Inflammatory Intestinal Diseases, Rome 22/23 November 2018;
- Certificate of participation as **Moderator** at Management of Chronic Inflammatory Intestinal Diseases, Rome 22/23 November 2018;
- Certificate of participation as **Discussant** at the Regional Conference A.C.O.I. Lazio: " PDTA in Surgery: from Method to Implementation", Rome 6 June 2018;
- Certificate of participation as **Discussant** at Digestive Surgery Future Challenges and New Technologies, session: " ODS and Multilevel Pelvic Prolapse", Rome 12-14 April 2018;
- Certificate of participation as **Opinion Leader** at the international Joint Meeting On Colorectal And Pelvic Floor Surgery, 10 th SIUCP National Congress ." Perianal Fistula Treatment " 08-10 June 2017 Pozzuoli- Napoli;
